Ten things that happened Saturday night at Lambeau Field for Kenny Chesney's The Big Revival Tour and Jason Aldean's Burn It Down Tour:

5. Jason Aldean gave the annual Packers Family Night fireworks display a run for its money with the finale to a 90-minute set that was heavy on pyro from the start with "Hicktown" and "My Kinda Party." By the time a sweat-soaked Aldean, who worked it hard all night and has the kind of muscular twang that can easily fill up Lambeau, got around to "She's Country" at set's end, his mic stand was on fire and the sky above Lambeau lit up with fireworks. With or without the flames, Aldean delivered big.
