## Jason Aldean Wraps Tour With \$615,000 Donation

Jason Aldean donated \$615,000 to breast cancer research during his show at the Coral Sky Amphitheatre in West Palm Beach, Fla., on Sat., Oct. 24. As part of the 10th annual "Concert for the Cure," his donation will benefit Susan G. Komen South Florida. The concert marked the conclusion of his 2015 Burn It Down Tour.

"I know firsthand how important it is to find a cure for breast cancer," said Aldean. "So, looking out from stage Saturday night at a sea of pink was a pretty cool way to end the tour. For ten years now the fans have been helping us support Komen and I know we're going to keep it up until nobody has to fight the disease anymore.
