July XX, 2016 - Musicians On Call (MOC), a nonprofit that brings live and recorded music to the bedsides of patients in healthcare facilities, will honor seven-time Grammy Award winning group Lady Antebellum with the Music Heals Award at an exclusive invitation-only event on August 9th in Nashville. MOC launched an auction on Charitybuzz where one lucky winner and their guest will meet the trio and get front row seats to the show. "Music is so universal and has so much power," said Lady Antebellum's Hillary Scott. "We've been able to share our love of music and experience first-hand how it touches people. It's really special to see music help people get through really tough times, so we're truly honored to be a part of what Musicians On Call is doing and receive the Music Heals Award."
