Heart Break, the sixth studio album from Lady Antebellum, debuts at No. 1 on Top Country Albums (dated July 1), earning 53,000 equivalent albums, with 47,000 in pure sales, during the week ending June 15, according to Nielsen Music. On the all-genre Billboard 200, the set starts at No. 4, giving the trio its seventh top 10.

Heart Break marks Lady A's fifth Top Country Albums leader, all of which have bowed at the summit. The LP is the first for the group -- Charles Kelley, Hillary Scott and Dave Haywood -- in almost three years, since 747 took off at No. 2 on the Top Country Albums Chart dated Oct. 18, 2014, with 74,000 copies sold.

During their break, all three members worked on side projects. Kelley recorded his solo set, The Driver, which debuted and peaked at No. 2 on Top Country Albums (Feb. 27, 2016; 14,000 sold in its first week); Scott, along with The Scott Family, recorded the country/Christian album Love Remains, which debuted at No. 2 on Top Country Albums and No. 1 on Top Christian Albums (Aug. 20, 2016; 28,000) and won a Grammy Award for best Christian album; and Haywood produced the first EP for country trio Post Monroe.
