Kelsea Ballerini will be a special guest on the Home Team tour, along with Ryan Hurd and Russell Dickerson

Directed by TK McKamy, the nostalgic clip reflects the song's message of "a big life in a small town." Throughout the video, Rhett strums an acoustic guitar, lounges by a pool and sings beneath the night sky as footage of riders on horseback, playing children and a brightly-lit carnival weave in and out.

For his New Year's Eve gig and rehearsal, Rhett performed "Die a Happy Man," "T-Shirt" and "Vacation." He and his wife Lauren were spotted watching other performances throughout the evening.

"Die a Happy Man" is nominated for Best Country Song at the 58th annual Grammy Awards. Rhett kicks off his Home Team Tour – which features Kelsea Ballerini, Ryan Hurd and Russell Dickerson – in Saginaw, Michigan, on February 23rd.
