## **Thomas Rhett**

**Tour:** Home Team Tour

**Dates:** February 23rd – April 21st

Thomas Rhett started 2016 with one of the year's biggest hits in "Die a Happy Man" – a multi-week Number One – and found his way back to the top a second time with "T-Shirt," both from his album *Tangled Up*. With the deluxe edition of that album recently yielding new tunes "Star of the Show" and "American Spirit," Rhett will mount his first-ever headlining trek beginning February 23rd. The Home Team Tour will feature guests Kelsea Ballerini, Ryan Hurd and Russell Dickerson and boasts back-to-back dates at Nashville's Ascend Amphitheater when Home Team returns to Rhett's hometown in April.
