HAPPY LIVING: Thomas Rhett, the year's No. 4 Country artist overall, claims the year's No. 1 song on Billboard's Country Streaming Songs chart, "Die a Happy Man." The ballad, also named single of the year at the CMA Awards (Nov. 2), additionally places at No. 2 for the year on Hot Country Songs and Country Digital Song Sales.

"Man," co-written by Rhett as a love letter to his wife, Lauren, topped Hot Country Songs for 17 weeks, the fourth-longest command ever on Hot Country Songs.
