FALL PREVIEW

77 Pop and Jazz Albums, Shows and Festivals Coming This Fall

JASON ALDEAN Between his Alabama-meets-Aerosmith arena-country explosions, Jason Aldean and his longtime producer Michael Knox are still flirting with ambitious textures, drum loops and rap-adjacent flows on his ninth album, “9.” Still, Aldean isn’t straying too far from the dirt road, with hard-strumming tales of heartbreak, small towns, good ol’ boys and boots that are far from spotless.
