Country's Mega-Groups to Watch This Fall, From The Highwomen to Zac Brown Band

8/22/2019 by [Melinda Newman](#)

Jeff Kravitz/FilmMagic

Who: Lady Antebellum

What's Coming: As-yet-untitled album (BMLG Records), fall TBD

The Lowdown: The seven-time Grammy winners known for stirring vocals start a new chapter with BMLG Records after over a decade (and nine No. 1s) on Capitol Nashville.

What To Expect: If first single "What If I Never Get Over You" is any indication? A return to "Need You Now"-era duets between singers [Charles Kelley](#) and [Hillary Scott](#).
