## Blake Shelton, Dierks Bentley, Florida Georgia Line to play Country LakeShake 2018

Chicago's biggest country music weekend, Country LakeShake is back for its fourth year — bringing along People Magazine's "Sexiest Man Alive" Blake Shelton, Dierks Bentley, and Florida Georgia Line as headliners.

The three-day festival will take over Huntington Bank Pavilion at Northerly Island June 22-24, 2018

LakeShake brings some of the genre's biggest names together with breakthrough and up-and-coming artists. Other acts slated for the long weekend include Lee Brice, Billy Currington, Russell Dickerson, Jillian Jacqueline, Tracy Lawrence, Chris Lane, Jackie Lee, LOCASH, RaeLynn, Runaway June, Dylan Scott and Cole Swindell.

The lineup on the fest's second stage, "Next from Nashville" — which will feature new artists hoping to build a larger following, will be announced in the coming weeks.

In addition to the music, LakeShake offers a Kid Zone, Dixie Square Mall, field games, a Vertigo Swing and more.

Weekend and single-day passes go on sale Friday, December 8 at 10 a.m. at [lakeshakefestival.com](http://lakeshakefestival.com).
