THE BEST NEW MUSIC VIDEOS OF 2019

"Look What God Gave Her" - Thomas Rhett

I'm just going to say it: Thomas Rhett's "Look What God Gave Her" looks like a spinoff of Drake's "Hotline Bling," and for that I respect it 10x more. In all seriousness, Rhett features his wife, Lauren Akins, and their two daughters in the video amongst a variety of real women, which makes his clear departure from a traditional country music video that much more special.
