LISTEN TO MADDIE & TAE'S GORGEOUS COVER OF "HAVE YOURSELF A MERRY LITTLE CHRISTMAS"

Maddie & Tae are here to make all your holiday music dreams come true with their gorgeous cover of "Have Yourself a Merry Little Christmas." The platinum-selling country duo released a luminous, jazzy version of the classic tune on Nov. 7, and it's the perfect example of just how spectacular their harmonies can be.

CMA winners Maddie & Tae — neé Madison Marlow and Taylor Dye — released their debut studio album in 2015, **Start Here**, and since then they've been working on EPs like 2019's **One Heart to Another** and **Everywhere I'm Goin'** in between opening up for Carrie Underwood on her **Cry Pretty** tour. Thanks to their "Have Yourself a Merry Little Christmas" cover and the "woke" edition of "Baby, It's Cold Outside" from John Legend and Kelly Clarkson, the year's crop of Christmas music is already off to a great start.
