10 Best Country and Americana Songs to Hear Now: Sara Evans, Jake Owen

Evans and family's Fleetwood Mac cover, Owen's breezy "Drink All Day" and more songs to hear this week

By **ROBERT CRAWFORD**

Rachel Wammack, "Enough"

Rachel Wammack counts her blessings with "Enough," a bright anthem about gratitude and positive perspectives. "If none of our dreams come true, if it's down to just me and you. . . baby, it's enough," she sings, stretching out the final note with a voice built for soul music, country and the acrobatic points in between.
