In episode three of Country Mile, Tennessean reporter Cindy Watts and producer Ayrika Whitney take the show on the road to Buena Vista Colorado, where Dierks Bentley recently held his second annual Seven Peaks Music Festival.

After a twenty-two-hour journey to the remote Rocky Mountain town, they caught up with Bentley and rising star Tenille Townes for a wide-ranging conversation about day-to-day life on an international tour, honing their craft, fiddle fairy dust and festival fringe fashion.

The third episode of Country Mile, a podcast from the Tennessean/USA TODAY NETWORK in partnership with Belmont University, debuts today across the USA TODAY NETWORK, iTunes and Spotify.

New episodes of the series will debut each Thursday and also include Garth Brooks with Ashley McBryde, Martina McBride and Sara Evans, Travis Tritt and Tracy Lawrence and Marty Stuart with Chris Scruggs.
