DISCLAIMER: Travis Denning, Avenue Beat, Brandy Clark, Sophie Sanders Top New Tracks

All of the ingredients for a perfect DisClaimer are here.

We have a superstar (**Luke Bryan**), some brand-new folks (**Jake Rose, Avenue Beat, Sophie Sanders, Lindsay Bowman**), a healthy proportion of female voices (**Brandy Clark, Lauren Lucas** and the afore-mentioned Bowman, Sanders and Avenue Beat) and some of my favorite up-and-comers (**Filmore, Travis Denning, King Calaway**).

All told, it is an embarrassment of riches.

In a tough, tough field, the clever track by Travis Denning eaks out a Disc of the Day prize, but not without stiff competition from Clark, Filmore and King Calaway.

The DisCOVERY Award choice was just as tough. It goes to Avenue Beat, with Sophie Sanders as a super strong challenger.

– Very cute. He’s breaking up with her. Is there someone else? You bet, and her name is A-B-B-Y, which stands for “Any Body But You.” Put your ears on this right now. This guy is definitely on a roll.
