

TAMRON HALL

<https://tamronhallshow.com/videos/lady-as-controversial-name-change-was-inspired-by-racial-tensions-this-summer/>

Grammy-winning country trio, Lady A, formally known as Lady Antebellum joins the show to talk about the expanded version of their 2012 gold-selling holiday album, "On This Winter's Night Deluxe." During the sit-down, Hillary Scott, Charles Kelley, and Dave Haywood also candidly speak about the inspiration behind their recent name change and how increased racial tensions in the U.S. this summer played a major part.
