RS Country Music Picks for Week of February 8th

New and must-hear songs by Brooke Eden, Lanco, and the Drive-By Truckers' Jay Gonzalez

By **JON FREEMAN & JOSEPH HUDAK**

Lanco, "Near Mrs."

Brandon Lancaster's Nashville collective Lanco found its lane with 2017's "Greatest Love Story," a roots-rock love song that steered them away from an early Imagine Dragons vibe. The band returns to that rootsy sound on their new single "Near Mrs." Written by Lancaster with heavyweights Shane McAnally and Jeremy Spillman, the piano jam celebrates the close calls that bring us into contact with the ones who, thankfully, didn't get away.
